Undergraduate Committee Advisory 002-2020

For: Incoming Transferees and Shiftees

Subject: Validation of Economics courses taken in other UP campuses

1. Incoming transferees who wish to obtain credit for a 3-unit Econ 11 completed in another UP campus must inform the College Secretary of their intention to do so on or before 4pm, **Wednesday, August 26, 2020** by emailing collegesec@econ.upd.edu.ph with subject "**Validation of Econ 11**". Those who do not signify their intention will be required to re-enroll in the course.
2. Validation exams will be on **Tuesday, September 1, 2020** at 10:00 am via UVLE.¹ Incoming transferees who do not take the exam at this time are assumed to have forfeited the opportunity to validate. If the course is a prerequisite to a higher economics course, the student will not be permitted to enroll in the higher course unless he/she obtains the instructor's consent.
3. If validated, Econ 11 taken in another UP campus is GE compliant.
4. Econ 100.1 and 100.2 are substitutes for Econ 11 and will give students credit for one lower free elective but not for a GE course. Alternatively, affected students may enroll in Econ 11 and then receive credit for either 100.1 or 100.2 (but not both) as a lower free elective.
5. There will be no validation exams for 3-unit Econ 101 and 102 courses completed in other UP campuses. These may instead be credited as higher free electives. Anyone who wishes to validate a 4-unit Econ 101 and 102 course taken in another UP campus must email immediately (by noon, **Tuesday, August 25**) for an initial assessment.
6. Economics courses taken outside the UP system are not credited towards a BSE or BSBE.
